Week 12 Meeting Minutes

Wednesday, November 20, 2024   2:35 PM

Group meeting overview:

> The required meeting for Week 12 occurred on November the 13th, 2024 after the lecture section that day. During this meeting the group took the time to address any concerns for the upcoming week.

Attendance:

> There was full team attendance during this meeting, and communication was maintained for all members of the group so that each had an equal say in group decisions.

Updates:

ME Team stopped working on a reloading function due to the essence of time remaining. Also unsure of the accuracy of the single round that will be shot.

Notes:

> Each member was reminded of upcoming due dates.

> <u>Group Assignments</u>

- Adam – Working on code, and debugging subsystem
- Allen - Assisting others as needed, working on full system integration
- Colby – Working on getting new drivers in, hooked up, and tested to confirm functionality
- Tyler - Testing sensors, working on sensor mounts
- JT – optimizing the subsystem
- Jonah – working on full system integration– coordinating with Mr. Rentschler, and ME team

Planned Tasks going forward:

- Each member was asked to monitor the Teams chat for any updates
- Each member is working on their testing of their subsystem
- Nov 20th - Experimental Analysis Document
